PREFACE.

The present publication is the fourth* of the series of the Select Indexes to the correspondence between the Court of Directors and the Government of Bengal. The Volume embraces a period of 22 years from 1834, when the Governments of India and Bengal were separated, to 1856. Throughout the period the jurisdiction of the Government of Bengal covered the "Lower Provinces" by which the Bengal Presidency was then known, Assam and Arakan, and at different dates during the period it was extended to the "Incorporated Settlements to the Eastward" which included the Straits Settlements, Penang, Malacca, etc., and to Pegu, Prome and Rangoon.

The present index deals with the correspondence of the following departments:—

(1) Public or General Department Letters to Court, 1835—1856,—13 volumes.

(2) Public and Ecclesiastical Departments Letters from Court, 1834—1854,—20 volumes.

(3) Ecclesiastical Department Letters to Court, 1836—1851,—2 volumes.

(4) Public Works Department Letters to Court, 1855—1856,—1 volume.

(5) Railway Department Letters to Court, 1845-1846 and 1851—1856,—1 volume.

(6) Railway Department Letters from Court, 1850—1854,—1 volume.

(7) Public Works Revenue Department Letters to Court, February to December 1856,—1 volume.

Public Department.

On November 3, 1763, the President and Council decided to divide their business into two different departments, *viz.*, the Public Department and the Secret Department—subsequently other divisions were made. The Public Department continued to bear that name till 1818, when the name was changed to the "General" Department. The Government of India possess the records of the Public Department relating to Bengal up to 1834. The correspondence of the period after that date, up to the year 1856, has been indexed in this volume, the subjects dealt with relating mainly to Education, Emigration, Post Office, Medical,

---

* Vol. III of this series will be published later.

Vaccination, Political, etc. There was a separate department of Education during 1842—1858 and a separate Political Department during 1834—1844 and 1852, but political and educational matters during these periods were also noticed in the correspondence emanating from the "General" Department.

Ecclesiastical Department.

The Bishopric of Calcutta was created in 1814 and the Ecclesiastical Department of the Governor General in Council dates from 1815. The present volume is concerned with the period from 1834 so far as the subjects related to Bengal.

Legislative Department.

Financial Department.

Certain stray General letters belonging to the Legislative Department and one to the Finance Department, from the Court of Directors, which found place in the MS. Volumes containing the General and Ecclesiastical Departments Letters from the Court, have also been included in this Index along with the rest. It may be noted in this connection that the archives of this Government do not contain any proceedings of the Legislative Department of the pre-Mutiny period, and that the Financial Department formed part of the Public Department from 1830 1843. It was not till 1843 that the office of the Financial Secretary to the Government of India was created and the Financial Administration of the Government of Bengal placed under him.

Public Works Department.

Public Works Revenue Department.

In May 1854, the Public Works Department of the Government of Bengal was created and placed under the management of a Chief Engineer who was to communicate with the heads of departments regarding buildings and other public works connected with each. There is one volume of letters to the Court in this department besides another for Public Works—Revenue Department, which dealt with collectorate buildings, Canals, etc., and also with Railways.

Railway Department.

A Railway Department was established in Bengal on the introduction of railways in 1845. After 1855 however its activities merged in that of the Public Works Department. From 1855 to December 1856 matters affecting railways were dealt with in the Public Works—Revenue Department and thereafter were recorded in the Public Works—General series.

S. N. ROY,

Deputy Secretary to the Government of Bengal,
Political and Appointment Departments.
